2019 CANDIDATE ANALYSIS FROM MAHARASHTRA

2019 LOK SABHA RESULTS FROM MAHARASHTRA

INSIGHTS

- Total 175 candidates from Maharashtra across 15 parties compete for 48 constituencies in 2019 Lok Sabha Election
- Majority candidates were in age group of 56-65. Young members should also be equally encouraged for newer perspectives.
- Out of total 175 candidates Males were 90% and and Females were 10%. Inclusion and participation of women in Lok Sabha should be increased and awareness campaigns can be performed to resolve Gender bias.
- 75% of candidates belong to General category and 14% and 10% for SC and ST category respectively. Separate OBC and Women category to be included in elections are future prospects of the assembly.
- Highest Level of education among candidates is Graduation and Post Graduation degrees.

- Urban cities like Pune, Kalyan, Thane where a lot of working population resides and contributes more to Govt taxes showed less than 50% voting, while few cities like Gadchiroli, Kolhapur with lesser population showed more than 70% Turnout.
- However candidates elected in Thane, Pune and Kalyan won with more than 30% margins.
- Out of the 48 seats, 25 were won by BJP, making the ruling party. Followed by this SHS and NCP grabbed 18 and 4 seats respectively.
